

2016 Pinot Noir Reuling Vineyard - Sonoma Coast

THE VINEYARD

Reuling Vineyard is located in the Sonoma Coast AVA, just off Highway 116 between Graton and Forestville. Planted in 2000 under the direction of Mark Aubert and Peter Michael Winery, this vineyard is comprised of 12.2 acres of Pinot noir planted to three unique clones – Calera and two distinct “suitcase” clones from the Vosne–Romanée region of Burgundy. There are also 2.2 acres of Chardonnay on the property. The vineyard is perched on a small hillside with gentle slopes at an elevation of 250 feet. It benefits from the cool marine influences converging from the coast, yet is exposed to the sun and afternoon heat, allowing the grapes to reach optimal maturity. It's Goldridge soils are extremely sandy which naturally stresses the vines, resulting in low yields and concentrated flavors.

WINEMAKER NOTES

In 2016, California experienced a fifth year of severe drought conditions, resulting in small grape clusters with tiny berries. Yields were slightly higher than in 2015 as the vines were more in balance. Moderate summer temperatures allowed sugar levels and flavor development to progress slowly and evenly. A few brief heat spikes gave way to a cooler than normal August, allowing for longer hang times without rapid sugar accumulation. The resulting wines are robust with deep, concentrated flavors combined with a remarkable freshness. All three Reuling Pinot noir clones were fermented separately before blending prior to bottling to showcase the complexity of the vineyard. Tiny berries of the 2016 vintage resulted in darker color and increased depth to this Pinot noir. The wine is bold, lush and concentrated, with racy acidity and a lengthy finish.
