

**2007 Sojourn Cellars Pinot Noir
Sangiaco Vinyard
Sonoma Coast**

Vineyard: Situated on Roberts Road at the western base of Sonoma Mountain.

We source fruit from two distinct blocks within this vineyard. The 115 block was originally planted in 1998 on 101-14 in an old creek bed. The 777 block was planted in 1999 on 101-14 in deeper loam soils.

Climate is key to this vineyard's ability to produce noteworthy Pinot noir. In 2007, its proximity to the cool Petaluma Gap allowed this fruit to hang on the vines into mid-October which led to phenolic maturity without sacrificing acidity.
