

**SOJOURN CELLARS
2010 CABERNET SAUVIGNON
HOME RANCH VINEYARD – SONOMA VALLEY**

Vineyard: This vineyard was planted by Craig in 2002 and is located in Craig and Ellen Haserot's "backyard" at the southwestern edge of Sonoma Valley. The clone makeup is 80% clone 337, 10% clone 15, and 10% clone 191 all on 101-14 rootstock. Vineyard spacing is 6 1/2' x 3 1/2' to encourage vine competition. The 2010 vintage is the sixth from this vineyard and the resulting wine is rich and complex. Blueberry and dark fruit aromas express themselves early and a hint of mint from the neighboring Eucalyptus adds an element of forest floor. The textures are big and lush with fine grained tannins lingering on the finish.
