

**SOJOURN CELLARS  
2011 PINOT NOIR – CAMPBELL RANCH  
SONOMA COAST**

**Vineyard:** 2011 was our first vintage sourcing fruit from Campbell Ranch Vineyard. Famed vineyard manager Ulises Valdez recently leased a portion of the vineyard, taking over vineyard management of the property and has developed it into a world-class Pinot noir site. Campbell Ranch is located in the remote coastal mountains along the northern Sonoma Coast near Annapolis. Surrounded by redwoods at approximately 750 feet above the Pacific, the salty sea air and ocean breezes are ever present, with thick fog receding each day to present ideal ripening conditions for Pinot noir. Clones 115 and 777 were blended from separately fermented lots to produce a wine with focus and zest showing expressive aromatics of red and tropical fruits common of the region.
