

# 2013 Pinot Noir Campbell Ranch Vineyard Sonoma Coast

## THE VINEYARD

2013 was our third vintage sourcing fruit from Campbell Ranch Vineyard. Famed vineyard manager Ulises Valdez leases a portion of the vineyard and has developed it into a world-class Pinot noir site. Campbell Ranch is located in the remote coastal mountains along the northern Sonoma Coast near Annapolis. Surrounded by redwoods at approximately 750 feet above the Pacific Ocean, the salty sea air and ocean breezes are ever present, with thick fog receding each day to present ideal ripening conditions for Pinot noir.

## WINEMAKER NOTES

The 2013 growing season began early, with a warm and dry spring, and the weather stayed beautiful through harvest with a moderate heat wave in early September moving the grapes to optimal ripeness. We picked all of our Pinot noir in September for the first time. Dry weather in both winter and spring resulted in smaller berry sizes with robust tannins, detailed aromatics and high concentration levels. In 2013, the Campbell Ranch Pinot noir grapes achieved wonderful complex flavors at moderate Brix levels. Clones 115 and 777 were blended from separately fermented lots. Ten percent of the grapes were fermented with stems, adding verve and nuance.
