

# 2015 Pinot Noir Reuling Vineyard - Sonoma Coast

## THE VINEYARD

Reuling Vineyard is located in the Sonoma Coast AVA, just off Highway 116 between Graton and Forestville. Planted in 2000 under the direction of Mark Aubert and Peter Michael Winery, this vineyard is comprised of 12.2 acres of Pinot noir planted to three unique clones – Calera and two distinct “suitcase” clones from the Vosne–Romanée region of Burgundy. There are also 2.2 acres of Chardonnay on the property. The vineyard is perched on a small hillside with gentle slopes at an elevation of 250 feet. It benefits from the cool marine influences converging from the coast, yet is exposed to the sun and afternoon heat, allowing the grapes to reach optimal maturity. It's Goldridge soils are extremely sandy which naturally stresses the vines, resulting in low yields and concentrated flavors.

## WINEMAKER NOTES

The 2015 vintage started with a bang — an unusually warm winter and dry spring promoted early bud break, with severe drought conditions continuing throughout the entire growing season. Vines responded by producing loose clusters and smaller berries with an abundance of flavor. It was one of the earliest harvests on record with lower than average yields. The resulting wines display tremendous finesse, depth and aromatic intensity. All three Reuling Pinot noir clones were fermented separately before blending prior to bottling to showcase the complexity of the vineyard. Tiny berries of the 2015 vintage resulted in darker color and increased depth to this Pinot noir. The wine is bold, lush and concentrated, with racy acidity and a lengthy finish.
