

2015 Pinot Noir Wohler Vineyard - Russian River Valley

THE VINEYARD

Replanted in 2006, Wohler Vineyard in Forestville sits in the heart of the famed Russian River Valley, within sight of the Russian River and the historic Wohler Bridge. The combination of climate and Goldridge Series soils provides an environment well suited for growing ultra-premium Pinot noir. In 2015, we sourced grapes from five distinct blocks within the vineyard. Our blocks of clones 667 and 828 sit at the highest elevation and are the best-draining blocks on the property. Clones 115 and 2A are planted in cooler, lower spots within the vineyard where the soils contain more clay. Each block offers unique characteristics and an array of blending options with each vintage.

WINEMAKER NOTES

The 2015 vintage started with a bang — an unusually warm winter and dry spring promoted early bud break, with severe drought conditions continuing throughout the entire growing season. Vines responded by producing loose clusters and smaller berries with an abundance of flavor. It was one of the earliest harvests on record with lower than average yields. Wohler Vineyard was harvested in multiple passes as each block ripened at a different pace. The clones were vinified separately, with 667 and 828 providing richness and density as the foundation of the blend. Clones 115 and 777 provided bright fruit and elegance, with a splash of Wädenswil 2A for earthiness.
