

# 2018 Pinot Noir Reuling Vineyard - Sonoma Coast

## THE VINEYARD

Reuling Vineyard is located in the Sonoma Coast AVA, just off Highway 116 between Graton and Forestville. Planted in 2000 under the direction of Mark Aubert and Peter Michael Winery, this vineyard is comprised of 12.2 acres of Pinot noir planted to three unique clones – Calera and two distinct “suitcase” clones from the Vosne–Romanée region of Burgundy. There are also 2.2 acres of Chardonnay on the property. The vineyard is perched on a small hillside with gentle slopes at an elevation of 250 feet. It benefits from the cool marine influences converging from the coast, yet is exposed to the sun and afternoon heat, allowing the grapes to reach optimal maturity. Its Goldridge soils are extremely sandy, which naturally stresses the vines, resulting in low yields and concentrated flavors.

## WINEMAKER NOTES

The 2018 Sonoma Coast vintage offered moderate weather, cool evening temperatures and a long, even growing season. The weather conditions were ideal and allowed the grapes to ripen slowly and evenly over the course of summer and early fall. This allowed the grapes to gain flavor complexities and ripe tannins, while retaining natural acidity. The vineyards offered grapes of exceptional quality and high yields alike. In 2018, the Calera block was converted to cane pruning and performed exceptionally well. All three Reuling Pinot noir clones were fermented separately before being blended just prior to bottling to showcase the complexity of the vineyard. The resulting wine is layered and expressive with darker color and increased depth.
