

# 2019 Pinot Noir Wohler Vineyard - Russian River Valley

## THE VINEYARD

Replanted in 2006, Wohler Vineyard in Forestville sits in the heart of the famed Russian River Valley, within sight of the Russian River and the historic Wohler Bridge. The combination of climate and Goldridge Series soils provides an environment well suited for growing ultra-premium Pinot noir. We source grapes from three distinct blocks within the vineyard. Our blocks of clones 667 and 828 sit at the highest elevation and are the best-draining blocks on the property. The Wädenswil 2A clone is planted in cooler, lower spots within the vineyard where the soils contain more clay. Each block offers unique characteristics and an array of blending options with each vintage.

## WINEMAKER NOTES

The 2019 vintage was similar to 2018 in that the mild season allowed for long and slow maturation. The lack of major heat waves and virtually no rain during harvest allowed us to pick every vineyard block at optimal ripeness. The 2019 vintage was slightly lower yielding, which resulted in greater concentration in the wines. Balanced structures and rich flavors are consistent throughout the 2019 vintage wines. Wohler Vineyard was harvested in multiple passes as each block ripened at a different pace. The clones were vinified separately, with 667 and 828 providing richness and density as the foundation of the blend. The Wädenswil 2A component adds earthiness and tension to balance the finished wine.
