

# 2021 Pinot Noir Sangiacomo Vineyard - Sonoma Coast

## THE VINEYARD

This vineyard is situated on Roberts Road at the western base of Sonoma Mountain. We source fruit from five distinct blocks. The core clone 115 block was originally planted in 1998 on 101 – 14 rootstock in an old creek bed, and forms the base of this wine each vintage. Portions of Swan and Mt. Eden clones are blended in to add complexity and structural nuances. Climate is key to this vineyard's ability to produce noteworthy Pinot Noir. Cool ocean breezes and Petaluma Gap fog keep the heat in check and allow for long hang time while retaining natural acidity.

## WINEMAKER NOTES

The 2021 growing season offered optimal conditions in the Sonoma Coast to harvest grapes of exceptional quality. The air remained clear with no fires in Sonoma and pandemic lock downs ended. Our spirits were lifted and the grape harvest and wine quality benefited. Brief heat waves in August and September ripened the grapes to ideal maturity as the weather stayed dry until major rains arrived October 22, after our grapes were harvested. Yields were lower than average in 2021, with small berries and loose clusters creating wines of increased depth and concentration. Our 2021 Sangiacomo Vineyard Pinot Noir features the Mt. Eden clone in a higher proportion, adding rich fruit and texture to the deep and complex 115 and Swan clones. Each clone was fermented and aged separately in 50% French oak barrels. The resulting wine offers bright red fruit aromas with hints of forest floor.
