Like a majority of the Sojourn 2021 Pinot Noirs, the Gap's Crown is also aged in 50% new French oak but sees approximately 15% whole cluster during fermentation. This Pinot Noir is always one of my favorites coming out of the Sonoma Coast, and the Sojourn 2021 is another beautiful example. A shimmering ruby-garnet core with a blueish rim in the glass, it assembles bountiful notes of dark cherry compote, fresh black raspberry, spiced blue plum skin, brown mushroom, salty sea breeze, liquid chocolate, and hints of dried lemongrass. Complex, engaging, and downright delicious, this should be a wine that everyone should seek out to try. Highly recommended and editor's choice.

96 Points - **2021 Sangiacomo Vineyard Pinot Noir**

The 2021 Sangiacomo Pinot Noir from Sojourn is one of my favorites from the tasting. It's aged in 50% new French oak, which helps it deliver a more rich and spicy experience on the palate. Explosive red and black cherry fruit, dried mint, pine needle, mountain sage, dried red rose petal, and a hint of Blood orange pounce out of the glass. Silky tannins and acidity lend raciness to the wine, yet there is plenty of minerality and brightness to be found on the finish. Drink now with a heavy decant or over the next decade.

With fruit coming from the famed Gap's Crown Vineyard, this scintillating Chardonnay from Sojourn is always one of my favorites year after year. A medium golden lemon core with a watery rim displays beautifully in the glass. I wasn't given any tech sheets on this wine, but my assumption is that it sees about 30% new French oak because of the richness and delicious baking spice notes I get on the back palate. Notes of ripe yellow apple, white peach, honey-coated pear, dried sage, and crushed rock minerality explode in the mouth. Exceptionally balanced, it finishes long with fantastic purity of fruit.
