

THE VINEYARD This vineyard is situated on Roberts Road at the western base of Sonoma Mountain. We source fruit from five distinct blocks. The core clone 115 block was originally planted in 1998 on 101 - 14 rootstock in an old creek bed, and forms the base of this wine each vintage. Portions of Swan and Mt. Eden clones are blended in to add complexity and structural nuances. Climate is key to this vineyard's ability to produce noteworthy Pinot Noir. Cool ocean breezes and Petaluma Gap fog keep the heat in check and allow for long hang time while retaining natural acidity.

WINEMAKER NOTES A warm 2022 summer brought one of the earliest harvests on record in the Sonoma Coast, with a September heat wave influencing some picking decisions. Cooler pockets of the Sonoma Coast fared well through the heat and the resulting wines offer depth and finesse. Yields were miniscule, with many vineyards breaking records on the low side for cluster weights. The resulting wines have concentrated flavors with tension and length. Our 2022 Sangiacomo Vineyard Pinot Noir has a foundation of the Mt. Eden and 115 clones. Swan clone was also blended in, adding rich fruit and silky texture. Each clone was fermented and aged separately in 50% French oak barrels. The resulting wine offers alluring red fruit aromas with hints of forest floor.
